19th March 1918.

Dear Madam,

83993

In reply to your letter of the 12th instant, concerning your husband, No 3305 Private A.V.Kjellgren, 44th Battalion, I have to advise that there is no official report to hand of his admission to hospital. I would point out, however, that slight illnesses are not reported to this office by cable unless serious symptoms should develop, the official notification appearing in Hospital Lists which come to hand later by mail. It would therefore appear that Private Kjellgren's complaint is not severe.

Mails addressed as under should be forwarded on arrival abroad to wherever he may be located :-
