Statement of Case.

Note.—The answers to the following questions are to be filled in by the Officer in medical charge of the case. In answering them he will carefully discriminate between the man's unsupported statements and evidence recorded in his military and medical documents. He will also carefully distinguish cases entirely due to cerebral disease.

9. Date of origin of disability. About 18th September 1915.

10. Place of origin of disability. Dardanelles.

11. Give concisely the essential facts of the history of the disability, noting entries on the Medical History Sheet bearing on the case.
Patient states that he got a severe wetting on 15th September 1915 and had to be out all night in his wet clothes. Severe pains developed in the Lumbar Region and on the shoulders. Also states that his urine became very dark coloured for a time.

12. (a) Give your opinion as to the causation of the disability. Exposure to wet + cold

(b) If you consider it to have been caused by active service, climate, or ordinary military service, explain the specific conditions to which you attribute it (See notes on page 3). Active Service.

13. What is his present condition?

Weight should be given in all cases when it is likely to afford evidence of the progress of the disability. Patient is anemic & suffering from anaemia which was more marked a short time ago. Dyspnoea on slight exertion. The urine is distinctly smoky looking & contains a large amount of albumen. Specific gravity 1015-1020.

Opinion of the Medical Board.

Notes.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (see Articles 1162 and 1165, Pay Warrant, 1913).

(iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

20. (a) State whether the disability is the result of (i.) active service, (ii.) climate, or (iii.) ordinary military service. *(i) Active Service.*

(b) If due to one of these causes, to what specific conditions do the Board attribute it? *Exposure to deep & cold*

21. Has the disability been aggravated by
