Dear Sir,

I am hoping that you may be able to help one of my History students who is making special study of her great-uncle who was killed in World War I. This is to be a special research-assignment, and she has quite a deal of very interesting material. The idea is to attempt the biography of a young soldier of World War I from his earliest days in South Australia to his death in France at the age of 21. Many of his original letters are on hand, but an outline record of his military service would be of tremendous value.

If you could assist my student by supplying her with an army record outline, I should be extremely grateful. The details are as follows :

No. 14609

Private Oscar Leonard GODLEE

9th Aust. Field Ambulance

Killed : Died of wounds 7 June 1917 whilst attached to 9th Machine Gun Company.

Not only details of his Army career, but any personal details given on his enlistment would be of great value.

The student's name and address are :

Miss Catherine Godlee,

43 ~~Winkley~~ Findlay Avenue,

ROSEVILLE...N.S.W....2069.

Perhaps you would be kind enough to send any information directly to Miss Godlee.

With kind regards,

Yours faithfully,
